Work In His Home State.

(Special Telegram to Evening Herald)  
Santa Fe, N. M., Oct. 19.—At one of the biggest meetings ever held in this county last night Hon. Oscarino A. Larrazolo spoke to the people of Santa Fe on the issues in the present election and when he had concluded, he had completely won Congressmen Henry D. Flood in the New York last Tuesday. He enunciated his views about the Majestic hotel, the headquarters of the team as usual today.

**HANS WAGNER IS  
LEADER IN HITTING**

New York, Oct. 19.—Official batting averages of the major league players place two Boston men at the head of the National list. Kirk in twenty games leads with .332, followed by Jackson with .315 in thirty-nine games. Hans Wagner is the red leader, however, with .335 in 139 games. Fred Clarke is next with .329 in 119 games. Tim R. Miller of the Boston's with .326 in 146 games. He is credited with 189 hits, more than any other player in the league.

Flood's weak arguments that the people of New Mexico did not know what their own constitution contained and were not capable of organizing their first state government intelligently without advice from men such as himself, were battered to pieces by the silver tongued orator and Mr. Larrazolo was cheered to the echo. He showed the inconsistency of flood coming 2,000 miles to New Mexico from Virginia to tell the people here what they needed in their constitution when they had a better constitution and an easier one to amend than the Virginia constitution. Mr. Larrazolo suggested that Flood had better remain at home and agitate for a new constitution for Virginia in preference to butting into the affairs of a class of people as intelligent and capable as any in Virginia. A森的 high procession led by a band preceded the rally. T. B. Catron introduced the speaker. The attack made by Flood on the Republican press was roundly scored by Larrazolo who showed that it resulted from the crowding the press had given Flood and the hole it had picked in his flimsy excuses for entering New Mexico politics at this time. Owing to a slight illness, Larrazolo went to Las Vegas today but will resume a tour of speaking in a few days. He expressed regret at being unable to speak in Bernalillo county tonight but said he would visit that county in a short time.

new life administration of the state's affairs.

The name of Mr. Larrazolo being mentioned, a telegram was read to the convention, which was sent by Mr. Larrazolo to J. E. Saint, chairman of the Bernalillo county Republican committee, indicating his reasons for not coming to Albuquerque today. The telegram follows: "Hon. J. E. Saint, Chairman Republican Committee, Bernalillo County, Albuquerque: Your telegram received. I regret exceedingly that the hard work of the main speeches I have made in this campaign and a term of duty has severe illness due to a severe cold, which I contracted last night, has made it impossible for me to attend your convention there today, as until the last minute I had expected. I ask that you inform your convention, and assure the Republicans of Bernalillo county that I most heartily wish them success at the coming election and that I will take the first opportunity to visit Bernalillo county and discuss before the people there the issues in this campaign as I see them. I am compelled to return to my home at Las Vegas today for a short rest, but expect to soon resume work on behalf of the Republican ticket, which I believe merits the support of all who have the interests of this great new state at heart."

Sincerely,

O. A. LARRAZOLO.

The reports of the committees on credentials and permanent organization were then read and adopted in the order mentioned.

Messrs. Duran, Perfecto Armitio and C. O. Cushman were named as a committee to escort Judge Mason to the chair. Judge Mason on assuming the gavel stated that the convention had met to work and not talk, and that he would not make a speech.

Messrs. Garcia, Oñate and Chinchilla were appointed a committee to escort the other permanent officers to the stage.

Francis E. Wood, from the committee on resolutions, then made the report of that committee. The reading of the resolutions was frequently interrupted by cheers.

The platform as adopted by the convention today follows:

The Republican party of the county of Bernalillo, in convention assembled, gives its hearty ratification and approval to the platform adopted by the state convention held at Las Vegas and to the candidates nominated upon the Republican state, judicial and legislative ticket and pledge them our full support.

The provision in our constitution against reelection and perpetuity in county offices we regard as a most wise and salutary provision and as establishing a good principle of government and one that will protect our counties from ring rule and we condemn the combination of Democrats and office-holding ringers who so flagrantly disregard these principles in their efforts to perpetuate themselves in office under hypocritical professions of independence and honesty.

We especially denounce the dishonest action of the sheriff of this county who having gained office on a written pledge to do so in his power to assist the legislative candidates in reducing the fees of the sheriff's office, became the chairman of a sheriff's lobby at Santa Fe in securing the passage of a law greatly increasing those fees.

We charge the present board of county commissioners with misusing the powers incident to their office for their personal and political profit. They have refused the just demand of the people of precinct 13 in the county for a right to control their own local affairs and have refused a needed division of the precinct for the purpose of retaining its control in the hands of themselves and the sheriff. They have permitted the public roads to become in a shameful condition for want of repair while they have allowed a large fund which should be used to improve roads to accumulate in the treasury and propose to use it in paying an illegal unauthorized and extortionate claim to their chief nemesis.

We pledge our candidates to a correction of these abuses as far as possible; and to give us good roads at honest prices.

We congratulate the county on the honest and able administration of our public schools under the supervision of Andrew B. Strong and we demand that the superintendence of those schools be kept in the hands of experienced educators and we do denounce the action of the Democrats in endeavoring to buy factional support by nominating a partisan politician with no experience in conducting primary schools for that responsible office.

We denounce the action of the Democrats and self-styled progressives both at Santa Fe and in this county in shamelessly trading judgeships for partisan support and large campaign contributions, and we call upon all good citizens to refuse by their votes this attempted degradation of the constitution.

We pledge our legislative candidates to work and vote for reasonable salaries in the county offices as required by the new constitution which shall be only commensurate with the duties performed. We also recommend that the question of the pastureage of the domestic stock of settlers and homesteaders be regulated so that they shall have such common free use of the unused lands for the herding of their domestic stock as does not interfere with farming and other valuable private use of such lands.

We pledge all of our candidates to an economical, efficient and honest administration of their offices.

We ask the judgment of the electors of Bernalillo county on our motives as exemplified by the men whom we present in this convention for their suffrage.

The resolutions were presented to a committee consisting of Francis E. Wood, J. A. Miller, Ambrosio Con-

treras, J. F. Herrera and P. H. Metz.

Nominations for senator from Bernalillo county were next declared in order. Judge George H. Crone in a brief and forceful speech placed before the convention the name of Hon. George A. Koeneman. The nomination received several seconds and Mr. Saint moved that the rules be suspended and that Mr. Koeneman be nominated by acclamation.

Next in order was taken up the nomination of three representatives from Bernalillo county. S. Crofton nominated for one of the places Antonio Garcia v. Sanchez. John V. Viala nominated Francisco Linares y Montoya. Col. Edward Johnson placed in nomination John W. Wil-

son. All these nominations received numerous seconds and on motion the nominations of the three gentlemen named was made by acclamation.

Nominations for sheriff were next declared in order. Hon. Francis E. Woods in a few well chosen words placed before the convention the name of Chief of Police Thomas McMinn. The mention of Chief McMinn's name was greeted with wild cheers.

Perfecto Armitio nominated J. M. Sandoval.

T. O. Mason seconded the nomination of McMinn on behalf of the colored voters of the county.

Many Resting Orders to Sell  
Corn: December Opens Frac-  
tion Higher; But Fall Back  
to 54½.

(By Evening Herald A. P. Leased Wire)

Chicago, Ill., Oct. 19.—Wheat market was up much today in wheat. Many traders bought for a continued advance, but seemingly an equal number strangle to bring about a reaction.

The result was a market full of activity and yet quotations almost at a standstill.

The opening was the same as last night to 14 cent. Decem. Decem. started at \$1.00 to \$1.05. The identical change shown by the market taken altogether. A rally to \$1.05 followed. The May option at the same time made a slight gain.

There were a good many resting orders to sell corn. December opened 1½ cent higher at 65 1/2 and fell back to 64 1/2.

Absence of selling pressure allowed some to harden a little in price. The market started a shade lower at 37 1/2 cents but then ascended to 37 7/8 cents.

Strength in the market for hogs gave provisions a lift. Initial sales were 2 1/2 to 10 cents up with January at \$15.00 for pork; \$8.00 to \$9.00 for lard and \$5.00 for ribs.

BEEF RAID PROVES  
ACTIVE ON STREET TODAY

New York, Oct. 19.—An unusually active selling movement this morning depressed the stock market after prices had been advanced generally. The selling was largely in the nature of a bear raid, which proved as active as the previous day.

For the office of county and probate clerk E. W. Madison placed in nomination Thos. K. D. Maddison. Mr. Maddison paid a high tribute to Mr. Maddison's ability, courtesy and efficiency. On motion the rules were suspended and Mr. Maddison was nominated by acclamation.

N. C. Deleuze placed in nomination G. H. Thomas.

The market encountered active selling which depressed prices of some of the important issues substantially.

The apparent absence of support encouraged the professionals to seek weak spots and they answered stop losses at various points.

Task of government proceedings against the Corn Products company increased sales at sharp declines. Purchases for the short interest and two point rally by Great Northern are certificates satisfied the market before midday.

Bonds were heavy, especially American tobacco issues which went down 1 1/8 to 1 1/4, making the weekly loss three points.

A steady upward movement by one o'clock brought the favorite issues to yesterday's close or above. Prices
